HOS ACHIEVER

267 BERTHS

The HOS Achiever has provided accommodation support services to numerous offshore projects both in the U.S. Gulf of Mexico and internationally. In 2015, she provided uninterrupted service to 267 people for nearly 2 years.

QUICK FACT

WATER CONSUMPTION & CAPACITY

Each person typically requires 65 to 85 gal of potable water a day on the ship. The HOS Achiever has 145,000 gal of potable water storage capacity and is capable of making 35,000 gal of water a day.

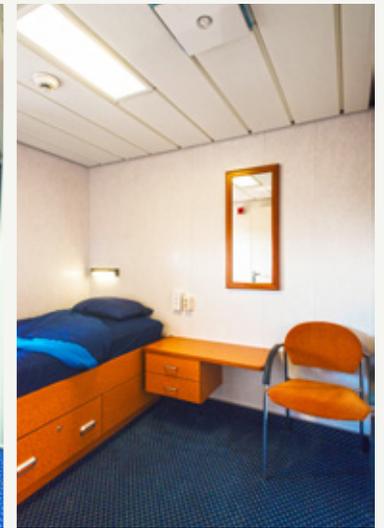

STATEROOMS

The HOS Achiever has multiple room configurations that include 1, 2, 3 and 4-person staterooms. Each stateroom is outfitted with a work desk equipped with Internet and power connections, and a private bath and shower.

4-PERSON STATEROOM:

1-PERSON SUITE w/ OFFICE:

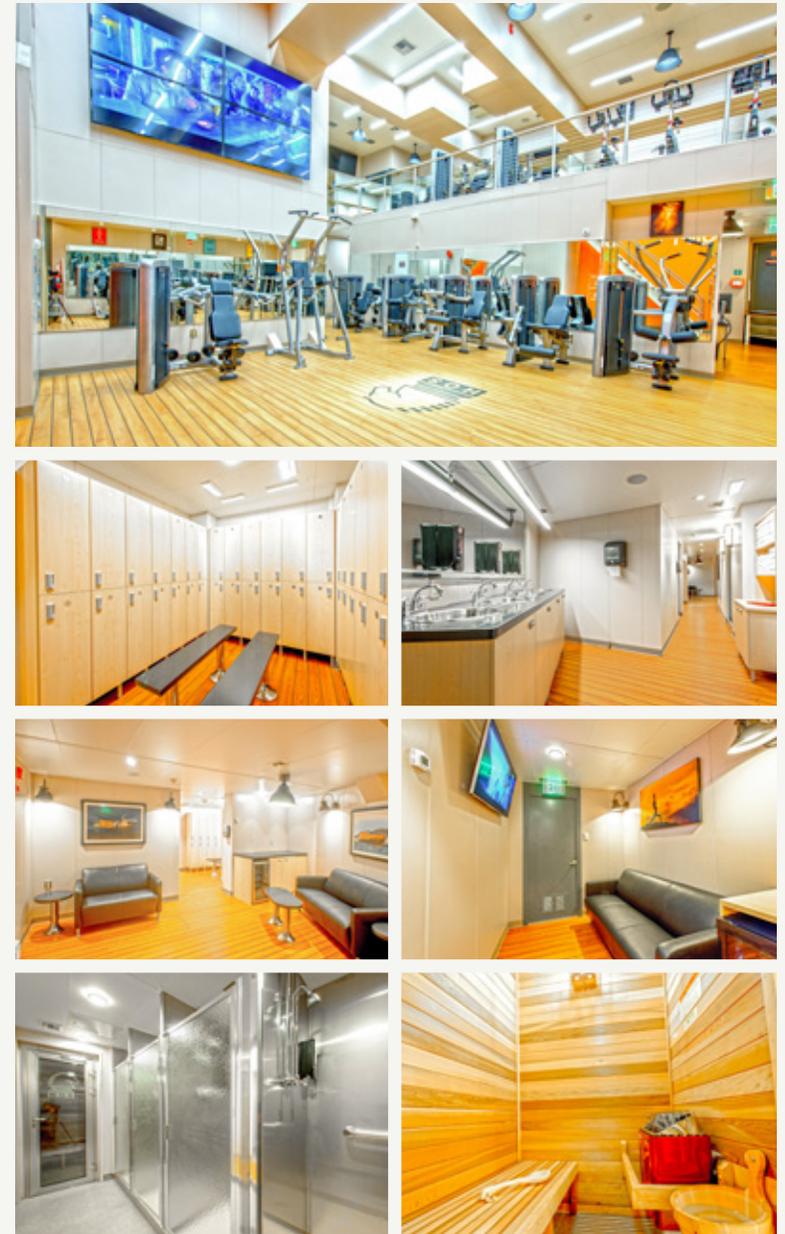

2 AND 3-PERSON STATEROOMS:

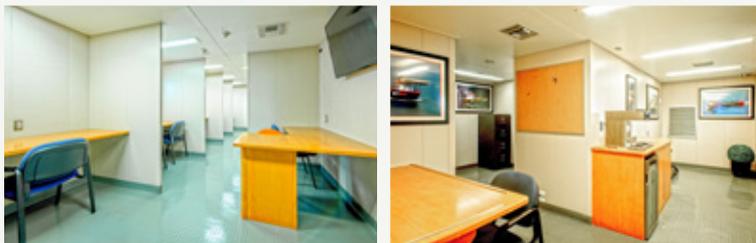

FITNESS CENTER

The HOS Achiever has a 4,000 ft², multi-level fitness center featuring state-of-the-art exercise equipment, wireless Internet, surround sound, wide-screen televisions throughout, and lounges for both men and women. Each lounge has lockers, showers, a sauna, and a TV seating area.

OFFICE SPACE

The HOS Achiever has 3 conference rooms and 46 workstations available for client use. All conference rooms are outfitted with speaker phones for conference calling and large televisions to project presentations or make use of video conferencing.

CONFERENCE ROOMS & WORKSTATIONS:**RECREATIONAL AREAS**

The HOS Achiever has indoor and outdoor recreational spaces including its fitness center, 2 theaters, 2 game rooms and an 830 ft² indoor smoking lounge. The smoking lounge has a card table and two gaming stations with Xbox consoles, and the Recreation Room on Deck 4 has a ping pong table and a foosball table.

THEATERS:**SMOKING LOUNGE & GAME ROOM:**

LOCKER/CHANGE ROOMS

The HOS Achiever has 2 men and women's locker rooms on the ship. They are located in the Fitness Center and also on level 3 of the Annex House, near the gangway, for workers transferring between the ship and offshore facility. All locker rooms are equipped with lockers, showers and bathrooms. The locker rooms in the Fitness Center also have saunas.

CATERING

With 2 dining rooms and galley facilities, the ship is capable of providing 4 meals a day to accommodate different work shifts. Meals can also be packaged and sent to the offshore facility upon request. The Main House dining room has seating for 88 people, and the Annex House dining room has seating for 80 people.

HOS IRON HORSE

245 BERTHS

The HOS Iron Horse provides a large, stable DP-3 platform with the ability to accommodate a range of offshore activities. With 245 berths, large moon pool, 2 hangar-housed ROVs and 2 offshore cranes (400 t / 120 t), the HOS Iron Horse is well suited to support IRM, diving and construction activities.

STATEROOMS

Multiple room configurations include 1, 2, 3 and 4-person staterooms. Each stateroom is outfitted with a private bath, including shower, and a work desk equipped with Internet and power connections. Two 1-person suites include an office and a sitting area.

1-PERSON SUITE W/ OFFICE:

2-PERSON & 3-PERSON STATEROOMS:

4-PERSON STATEROOM:

OFFICE SPACE

In addition to the office suites that include a 1-person stateroom, the HOS Iron Horse also has a conference room, operations room and workstations available for client use.

OPERATIONS ROOM:**CONFERENCE ROOM:**

RECREATIONAL SPACE

The HOS Iron Horse has an exercise room, 3 theaters and 2 game rooms available for recreational use. Game rooms have televisions, a ping pong table and a foosball table.

GAME ROOMS, THEATERS & EXERCISE ROOM:

CHANGE ROOM

CATERING

The HOS Iron Horse has 2 dining rooms and 1 galley capable of providing 4 meals a day to accommodate different work shifts. Meals can also be packaged and sent to the offshore facility as needed.

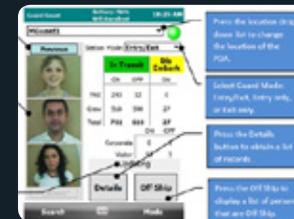

HOS RIVERBEND
194 BERTHS

The HOS Riverbend is a DP-2, Jones Act compliant accommodation support vessel. The vessel can transport cargo, materials and personnel between ports and other places in the U.S., including offshore assets.

QUICK FACT

SAFETY / SECURITY: PERSONNEL TRACKING

A-Pass® is an electronic personnel tracking system that provides real-time personnel tracking. Exact crew location and other important information is accessible at any time through portable card readers. The system is crucial for identifying and accounting for people during emergencies.

STATEROOMS

The HOS Riverbend has 53 staterooms in various configurations that include 1, 2 and 4-person rooms. Each stateroom is outfitted with a private bath, including shower, and a work desk equipped with Internet and power connections. Each bunk has its own private locker closet and storage.

OFFICE SPACE

In addition to the work desks found in each stateroom, there are also 24 workstations available for client use. The ship has a conference room with speaker phones for conference calls and a large television for presentations or video conferencing.

GYM FACILITY

The HOS Riverbend’s gym facility features state-of-the-art exercise equipment, wireless Internet, and large, flat-screen televisions throughout.

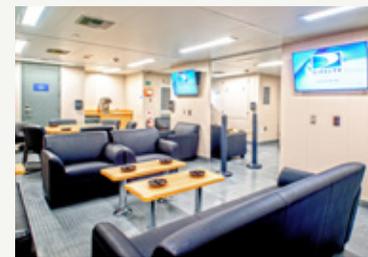

RECREATIONAL AREAS

The HOS Riverbend has indoor and outdoor recreational spaces including 2 theaters and an 830 ft² indoor smoking lounge with large televisions throughout and two gaming stations with Xbox consoles.

THEATERS

SMOKING LOUNGE & GAME ROOM

OUTDOOR SEATING AREA

LOCKER ROOMS

Men and a women's locker rooms provide lockers, showers and changing areas for offshore workers.

CATERING

The HOS Riverbend has 2 galleys and 2 dining rooms that are capable of providing 4 meals a day to accommodate different work shifts. Meals can also be packaged and sent to the offshore facility as needed.

HOS BRIARWOOD

130 BERTHS

The HOS Briarwood is a U.S. flagged, Jones Act compliant supply vessel that can transport cargo, materials and personnel between ports and other places in the U.S., including offshore assets. The ship has above and below deck cargo carrying capacities and a Sikorsky S-92 rated helideck.

STATEROOMS

The HOS Briarwood has 37 staterooms including 1, 2 and 4-person room configurations. Each stateroom is outfitted with a work desk equipped with Internet and power connections, as well a private bath and shower. Each bunk within a stateroom has its own private locker closet and storage for personal belongings.

OFFICE SPACE

The office facility includes 15 workstations. Each workstation has a file cabinet, as well as Internet and power connections for a computer.

GYM FACILITY

The HOS Briarwood's gym facility features state-of-the-art weight lifting and cardio equipment, wireless Internet, and large, flat-screen televisions throughout.

RECREATIONAL AREAS

The HOS Briarwood has several recreational spaces including a theater, a gym facility, and an 830 ft² indoor smoking lounge and game room with large televisions, a card table, and two video gaming stations.

THEATERS
